

# CYCLONE RTU

## Unpleasant odour remover

*ready-to-use solution*

### Product properties:

- good cleaning properties
- removes unpleasant odour, even from urine
- convenient spray bottle
- rapid effect (1 minute)

Cyclone RTU is a specially developed cost-effective disinfectant with good cleansing properties, intended for disinfection, washing and the removing of odours.

### Ingredients

water, quaternary ammonium compounds, HEDP, orthophosphoric acid.

### Spectrum of efficacy

Synergetic active ingredients used in the product serve to guarantee the disinfectant's broad bactericidal spectrum. Kills Gram positive and negative bacteria, is very effective against yeast fungus.

### Usage

While Cyclone RTU is highly effective against fungi, it's suitable to clean and disinfect WC, bathrooms, sauna and pool rooms. Spray onto the treated surface, allow to take effect for 1 minute and rinse with clean water.

When cleaning furniture and other water-resistant surfaces, spray onto the treated surface, allow to take effect for 1 minute and wipe excessive liquid off with a dry cloth or a disposable tissue.

Removes unpleasant odour, even from urine!

### Warning

Causes skin and eye irritation.
