

LOBASHIELD[®]

PROTECTIVE CREAM

A fast-absorbing natural protection cream that makes the skin soft and elastic, but at the same time protects it from harmful external influences. Contains vitamin E, organic propolis extract with healing properties, Siberian cedar seed oil, beeswax that creates a protective layer on skin, lingonberry seed extract with antiseptic properties and cranberry seed extract with antioxidant effect. A good protective cream for contact allergies.

Ideal for use in healthcare facilities and the food industry, where the nature of the work requires frequent hand washing, handrub and the use of gloves. Does not contain artificial colourants or odourants.

PRODUCT PROPERTIES

- water repellent
- moisturizes, cares for and soothes the skin
- doesn't contain parabens, methyl isothiazolone, formaldehyde releasers
- skin-friendly pH
- in a convenient pump-bottle
